Case Number 16-11450
Honorable David M. Lawson

v.

Defendant.

ORDER DISMISSING ORDER TO SHOW CAUSE

On May 31, 2016, the Court entered an order for the plaintiffs either to show cause why the matter should not be dismissed for want of jurisdiction, or to file an amended complaint alleging proper facts sufficiently to justify their invocation of this Court's diversity jurisdiction. On June 3, 2016, the plaintiffs filed an amended complaint in which they allege that the plaintiffs are citizens of the State of Michigan, the defendant is a Pennsylvania corporation with its principal place of business in Pennsylvania, and the plaintiffs seek damages for allegedly unlawful age discrimination that exceed the jurisdictional threshold of \$75,000. The Court has reviewed the defendants' amended pleading and finds that the revised allegations adequately address the Court's jurisdictional concerns. The Court therefore will dismiss the order to show cause.

Accordingly, it is **ORDERED** that the order to show cause entered on May 31, 2016 is **DISMISSED**.
